

# LAKE OTIS PARKWAY

## Surface Rehabilitation: Abbott Rd to Huffman Rd

Project 20-012

### Project Description

The Lake Otis Parkway Surface Rehabilitation will repave Lake Otis Parkway from Huffman Road to Abbott Road. The project will be constructed in two phases:

- Phase 1 – O'Malley Road to Abbott Road
- Phase 2 – Huffman Road to O'Malley Road

The project includes

- Repaving Lake Otis Parkway
- Spot dig-outs
- Guardrail Replacement
- Spot storm drain rehabilitation
- Curb ramp replacements to meet ADA
- Spot sidewalk repairs, including the ramps down to the Hanshew tunnel.
- Implementing flashing yellow arrow phasing at the Rives Court traffic signal.
- Restripe O'Malley to Huffman segment for 3 lanes

The project is funded by MOA road bonds.

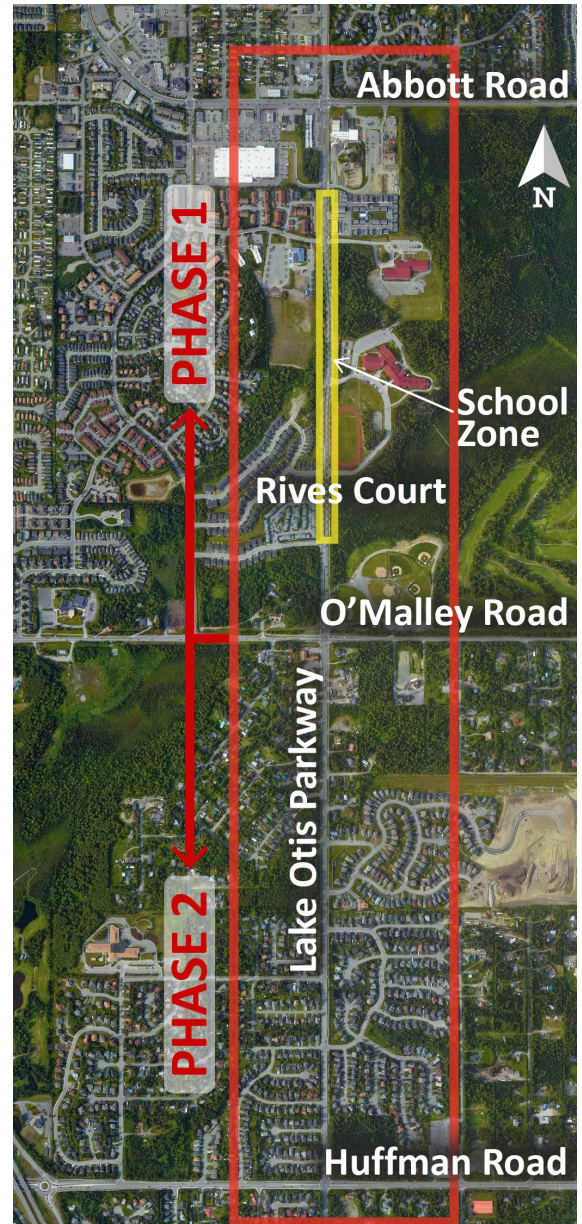

### Schedule

Design: Ongoing  
Construction: Phase 1 – Fall 2023 (mostly complete)  
Phase 2 – Summer 2025
